Travelling by Rail:

Fast and frequent rail services take as little as 1 hour 52 minutes from London Kings Cross and some from Edinburgh. Manchester and Birmingham are also direct. (The course is 1 mile from the station centre and a First Bus raceday shuttle runs every 20 minutes)

Travelling by Car:

York Racecourse is just outside the city of York with good motorway links on the M1 and A1. Once near the city, from the South, east & west the A64 & A1036 are the roads to follow. From the north, use the A19 & A59, then the York Ring Road to avoid the city centre.
