

Exciting opportunity for your school to engage with Major League Baseball First Pitch!

Join the MLB First Pitch Programme in 2026

What is MLB First Pitch? A fun way for young people aged 8-12 to learn new striking and fielding skills and play baseball right here in the UK!

Why Baseball? It's a chance to try something new, learn new skills, and make friends.

Easy for Teachers! No baseball experience? No problem! We make it easy to teach and learn with a 2 hour virtual teacher orientation and training session.

Already a Hit! Over 900 schools have benefitted since 2021.

Be Part of the Excitement! We are inviting even more schools for 2026 to get involved.
