Youth Sport Trust Conference 2026
Happy, healthy and thriving - A new era through PE, sport and play

Awards Dinner - Tuesday 03 March 2026
Conference - Wednesday 04 March 2026
Telford International Centre

The Youth Sport Trust Conference 2026 will explore the exciting potential of a new era for PE, sport and play, one where young people can thrive, with their happiness and health at the heart of schools and communities. Building on last year's focus on the Well Schools movement, this year we look ahead to the opportunities presented by the new PE and School Sport Partnership Network, Curriculum and Assessment Review, Enrichment Framework and National Youth Strategy.

Engage with inspiring speakers, participate in interactive workshops, and enjoy valuable networking opportunities. Don't miss the Awards Dinner, held on the eve of the conference, celebrating those who transform young lives.

Be part of the change, secure your place today.

To book your place, go to 'Register' in the top right-hand corner of the page.
