- **Dynamos Schools** - Building on the success of Kwik Cricket, Dynamos Schools has been designed to deliver an exciting new brand of primary inter-school competition connecting to the elite via The Hundred.
- **Chance to Compete** - Chance to Shines national secondary school competition aimed at giving secondary state school children an opportunity to play competitive cricket.
- **Table Cricket** – an adapted version of the game with opportunities to play and compete.
- **ECB Girls U13 & U15 Schools Indoor Competition** - Competing initially at County level to begin with, the 40 County winners for both age groups then play at one of 5 regional finals after Easter with the 5 winners from each age group competing at the National Finals hosted at Lord's in May.
- **English Schools Cricket Association (ESCA)** - Individual County Associations will run competitions at a local level with the winners of County competitions feeding into regional and national competitions facilitated by ESCA
- **Schools Cricket Committee** - The Schools Cricket Committee provides hardball competitions for state and independent schools at U17 and U18.
