

Cluster 2021-22

Through our membership we bring teachers together as part of our mission to transform the lives of young people using the power of PE, play and sport.

Educators have the power to change the world and through our membership benefits for **groups of schools (MATs, School Sport Networks and existing Cluster members)** we will give practitioners the support you need to further **develop PE, school sport and physical activity**.

We will provide a range of bespoke and cost-effective solutions to meet the needs of all groups of schools, as well as portfolio of resources and training for teachers and young people.

Leaders of these networks will have access to:

- Professional development
- Dedicated Development Manager support
- Customer service support
- Discounts on products, resources and consultancy

Continued Professional Development Bundles

An exciting new addition for this academic year is a series of CPD Bundles that have been created to provide groups of schools opportunities to access CPD at even further reduced costs.

We have taken three of our most popular resources; My Personal Best, Quality Mark and Healthy Movers and a created a package of support for each resource

- **Access to resource cards (or online portal for Quality Mark)**
- **1 day face to face training**
- **1 part day follow-up support**

Bundles are available for groups of 5, 10, 15 and 25 schools, please contact your Youth Sport Trust Regional Development Manager to discuss specific requirements and costs.
