## Appendix 1

In the following tables **national data** is broken down by key factors, including 'physical activity level', in which 'more active' is defined as those who take part in physical activity on 5 or more days per week, and 'less active' is those who take part on one day per week or less. Responses from groups of less than 5 have been hidden, to protect the identity of respondents.

These tables use the following acronyms:

**SEND:** Special Educational Need or Disability

**EDC:** Ethnically Diverse Communities
