

## Step 4 – Share your story

### Share your story with the Youth Sport Trust

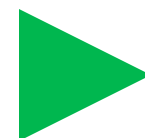

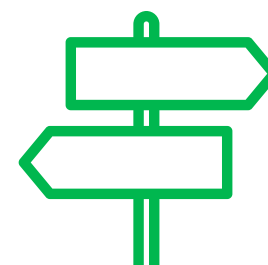

Send your story, along with the correct consent forms, to the Programme Manager or the Research & Insight Team at the Youth Sport Trust.

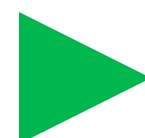

[research@youthsporttrust.org](mailto:research@youthsporttrust.org)

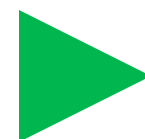

### Consider other ways to share your story...

Can you put snippets on your school social media channels?

Can you include the story in a school newsletter or on your school website?

Can you send the story to the local paper?
