Girls' report: Introduction

This report summarises responses to the *Girls Active Questionnaire* that girls completed between October 2024 and June 2025. Overall, this study received **8806 responses from girls**.

For more information about Girls Active please visit www.youthsporttrust.org/girls-active

How you feel

Girls were asked how they feel about taking part in physical activity, PE, and learning at school, on a scale from *Like it a lot* to *Dislike it a lot*. This chart shows the proportion that said they *Like it a lot* or *Like it*, at a national level.

Girls were most likely to enjoy *taking part in physical activity* (78%), followed by *taking part in PE* (66%) and *learning at school* (47%).

How do you feel about...? (% like it a lot/like it)

Base: All respondents

Being active

The following chart (right) shows how many days in the past week girls took part in 60 minutes or more of physical activity.

For this questionnaire, physical activity was defined as 'activity that makes you feel warmer and makes your heartbeat faster'.

On average, girls took part on 3.3 days per week.

Days of physical activity per week

Base: All respondents

Pupils were asked how often they took part in physical activity at school, excluding PE lessons. The chart below (left) shows that girls were most likely to take part in physical activity outside of PE lessons on *0 days a week* (53%). On average, girls took part on 1.0 days per week.

They were also asked how often they took part in sport or physical activity outside of school, and were most likely to do so on *0 days a week* (23%). On average, girls took part on 2.4 days per week.

Days of physical activity at school, excluding PE lessons

Base: All respondents

Days of physical activity outside of school

Base: All respondents

The chart below shows that 62% of girls would like to be more active when they are in school.

When asked *how* they would like to be more active, they were most likely to say *More PE* (57%) or *More opportunities to be active in other lessons* (44%).

Would you like to be more active in school?
Please choose one answer

Base: All respondents

How would you like to be more active in school?

Base: All respondents who would like to be more active in school

This chart shows the activities that girls would most like to do as part of their PE lessons or other sport/physical activity at school. The most popular activities were *Badminton* (22%), *Dance* (17%), and *Trampolining* (15%).

From the activities listed, which 3 would you most like to do in PE or other sport at school?

Base: All respondents

Girls were asked two questions relating to groups in PE, sport and physical activity. Firstly, (below left) in relation to gender, then secondly (below right) in relation to motivations.

In terms of gender they were most likely to say *Girls only* (68%), while the most common response in terms of motivations was *With your friends* (78%).

How would you like to be grouped for sport and physical activities?

Base: All respondents

How would you MOST like to be grouped for sport and physical activities?

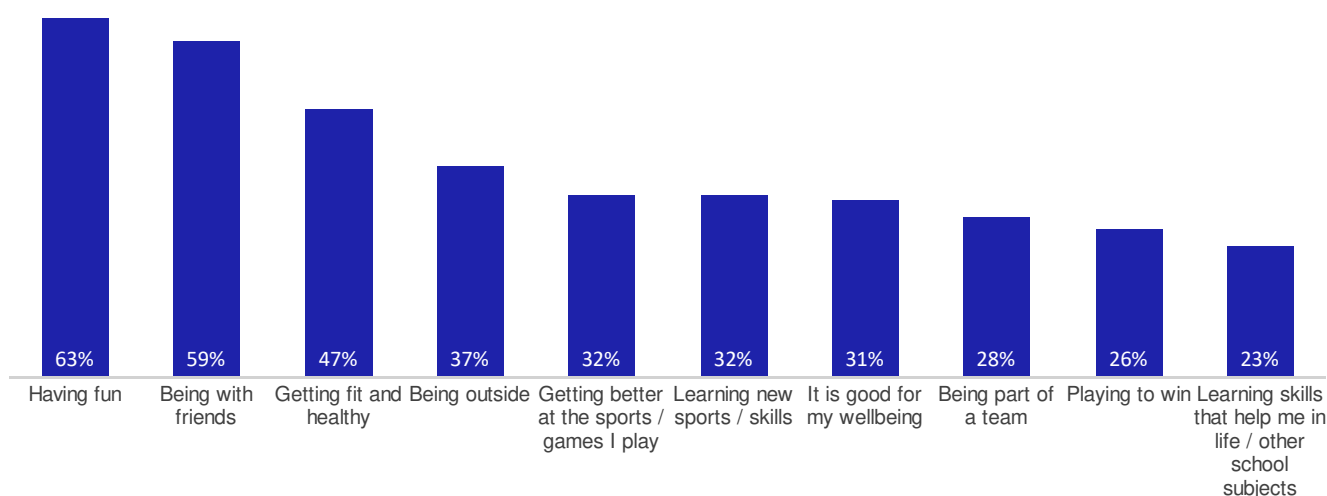

Base: All respondents

Physical activity at school

What motivates you?

The chart below shows the 10 most common factors that girls said motivate them to take part in sport, physical activity and PE at school. They were most likely to say *Having fun* (63%), *Being with friends* (59%), and *Getting fit and healthy* (47%).

Top 10 motivators for taking part in sport, physical activity and PE at school

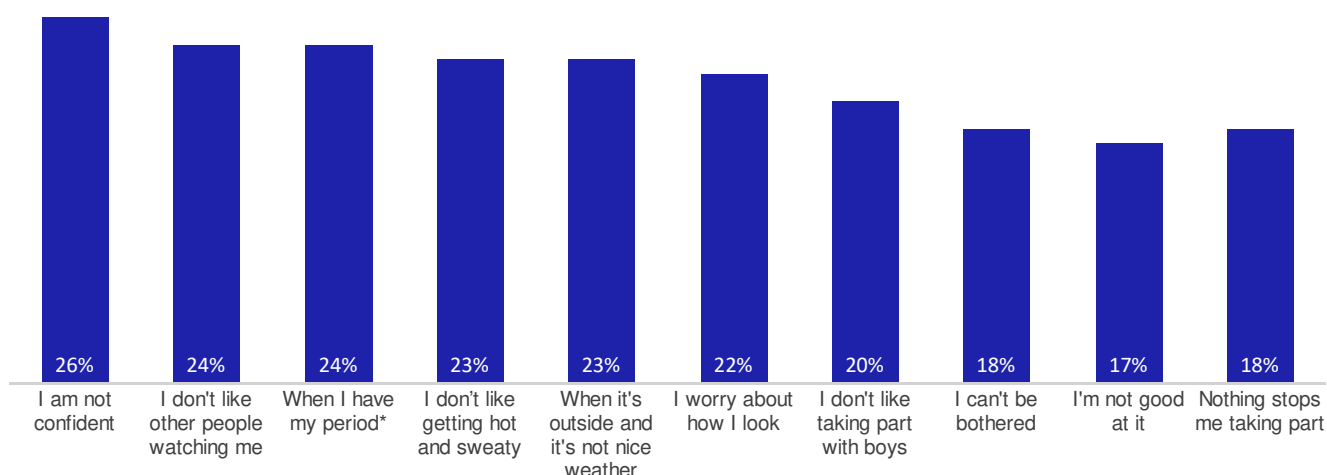

Base: All respondents

What stops you?

The top 3 barriers that stopped girls from being more active were; *I am not confident* (26%), *I don't like other people watching me* (24%), and *When I have my period** (24%). However 18% of girls said that none of these barriers stopped them.

Top 10 barriers to sport, physical activity and PE at school

Base: All respondents

* these options were only available to girls in year 7 and above.

Leading sport and physical activity

Girls were asked whether they lead any sport or physical activity - refereeing, coaching, or organising, for example - either inside or outside of school.

10% said that they lead sport in school, while 19% lead outside of school.

They were then asked whether they would *like to* lead sport or physical activity.

19% said that they would like to lead sport or physical activity at school, compared to 17% outside of school.

Do you have any leadership roles in sport / physical activity? (e.g. this could be a referee, coach or organiser)

Would you like any leadership roles in sport / physical activity?

When asked who they would prefer to teach their PE and sport at school, Girls were most likely to say *A female teacher/coach*, followed by *I don't mind*, *A male teacher/coach*, then *Other*.

In PE and sport at school, which would you prefer?

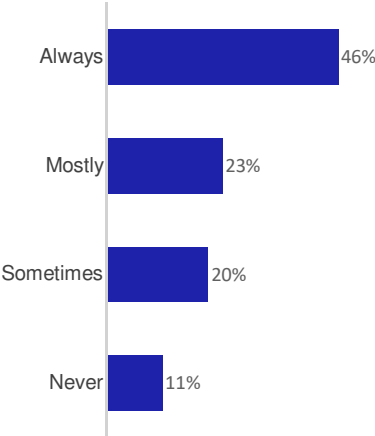

PE and periods

From our previous survey responses, we know that having your period is a significant barrier to participating in PE for many girls. The following questions were asked to help us understand more and consider how we can help make improvements for all girls in PE at this time.

These questions were only available for those in year 7 and above, were optional, and were answered by 4728 girls. Those selecting *No* or *Not applicable* are not included the charts below.

Do you take part in PE when you have your period?

Base: All respondents in Yr 7 & above (excl. No/Not applicable)

In your PE lesson, how comfortable would you feel talking to your teacher about periods?

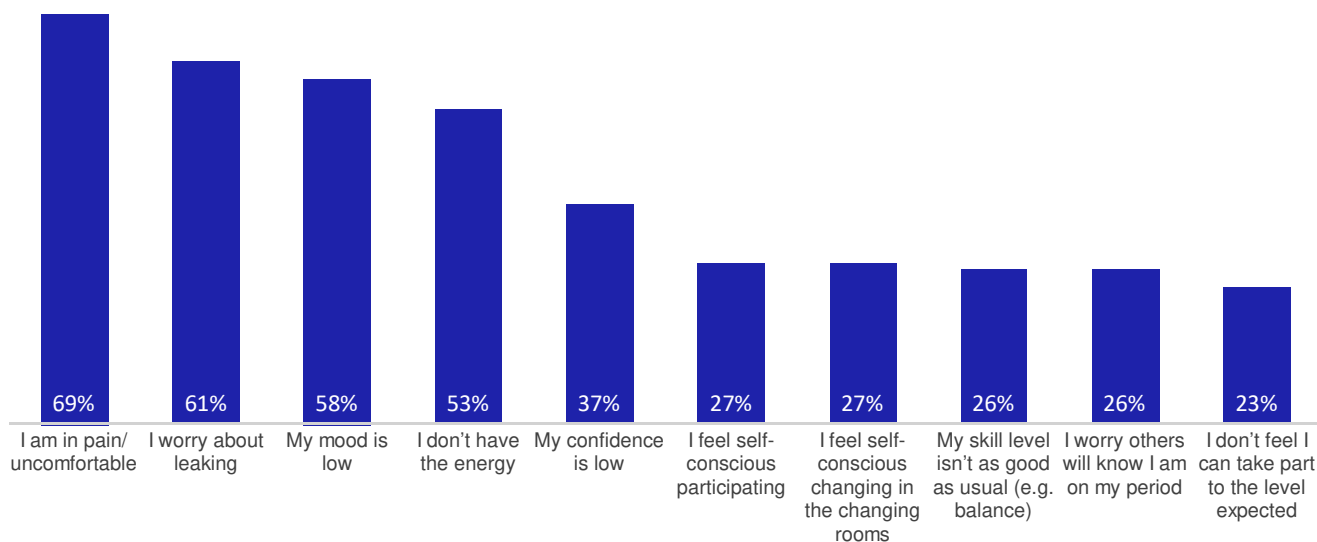

Base: All respondents in Yr 7 & above (excl. No/Not applicable)

46% of girls said that they *Always* take part in PE when they have their period, and at the other end of the scale, 11% *Never* take part in PE when they have their period.

56% of pupils said that they were *Very* or *Somewhat* comfortable talking to their teacher about periods.

When asked what worries them about participating in PE or school sport when they have their period, girls were most likely to say *I am in pain/ uncomfortable* (69%), *I worry about leaking* (61%), or *I worry about leaking* (58%). 10% said that they weren't concerned by any of these issues.

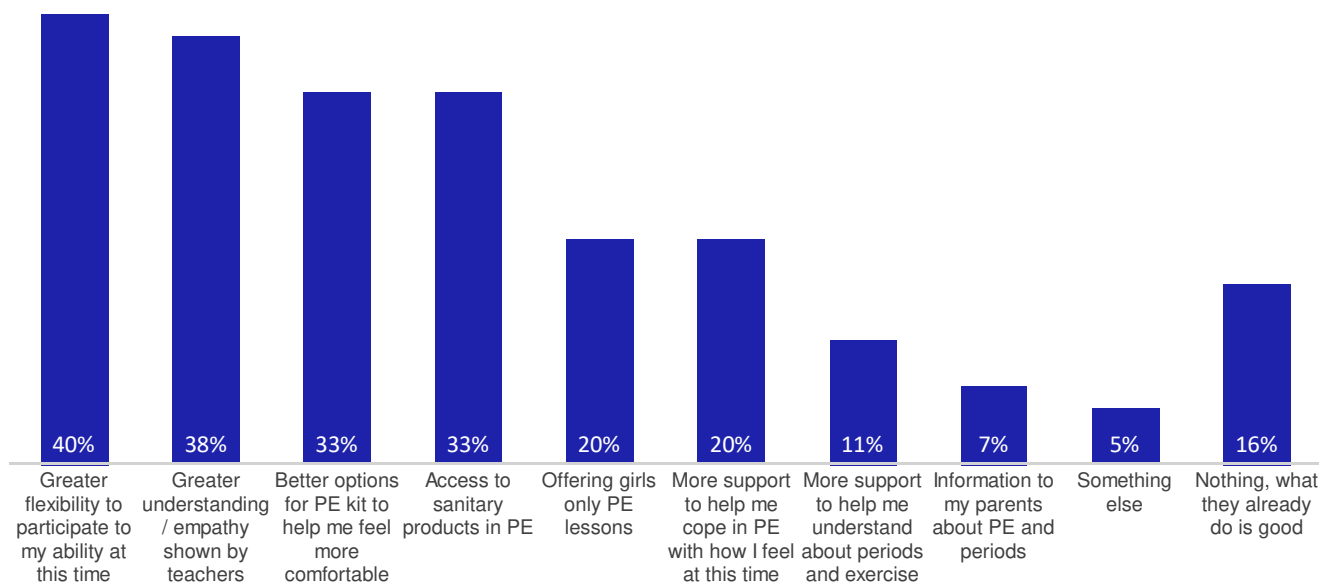

When you have your period which of the following things concern you about participating in PE or school sport?

Base: All respondents in Yr 7 & above (excl. No/Not applicable)

Girls were also asked what the school could do to help them in PE when they have their period. The most common answers were *Greater flexibility to participate to my ability at this time* (40%), *Greater understanding / empathy shown by teachers* (38%), or *Better options for PE kit to help me feel more comfortable* (33%). 16% said *Nothing, what they already do is good*.

What, if anything, can your school do to help you in PE when you have your period?

Base: All respondents in Yr 7 & above (excl. No/Not applicable)

Puberty Education

We are interested to know girls' thoughts on puberty education; the learning across subjects that covers the changes during adolescence. This might be in subjects such as biology, PSHE, form time, PE, or possibly other subjects as well, and might cover topics like periods, breast development and health, hormones, emotions, importance of being active and wellbeing).

These questions were only available to those in year 7 and above and were optional and were answered by 3881 girls. Those who responded *No* or *Not applicable* are not included in the charts below.

Thinking about all areas of puberty education, how important do you think this learning is?

Base: All respondents

How relevant do you find this learning to you and you taking part in PE, sport and physical activity?

Base: All respondents

Overall, 79% of girls said that puberty education was *Very important* or *Important*.

53% felt that puberty education was *Very relevant* or *Relevant* to them taking part in PE, sport, and physical activity.

More about you

Girls were asked whether they agreed or disagreed with a series of statements about their attitudes to physical activity. The statements they were most likely to strongly agree or agree with were *I understand why being active is good for me* (88%), *I am active with my family outside of school* (66%) and *My school encourages me to be active* (65%).

National data

Base: Pupils at your school (*after May 2024)

Overall, 61% of girls *Strongly agreed* or *Agreed* with the statement "If I find something difficult, I keep trying until I can do it".

When asked if they felt that they belong at their school 44% replied *A lot* or *Quite a bit*.

If I find something difficult, I keep trying until I can do it.

Base: All respondents

I feel that I belong at my school.

Base: All respondents

The following charts show how girls rated their happiness and life satisfaction on a scale of 0 to 10, where 0 is 'not at all' and 10 is 'completely'.

Overall, how happy did you feel yesterday?

Base: All respondents

Overall, how satisfied are you with your life nowadays?

Base: All respondents

PE kit

When asked how their PE/sports kit made them feel, 37% of girls agreed or strongly agreed that it made them feel *Confident*, 48% said they felt *Comfortable*, 30% felt *Smart* and 49% felt *Athletic*.

National data

Base: All respondents

When given the opportunity to suggest improvements to their PE kit, girls were most likely to say '*I would like to have more options to choose from*' (48%), '*I don't like the look of our PE/sports kit*' (26%), and '*Extra-curricular kit could be flexible / own choice*' (26%).

25% said that they like the current PE kit or didn't think it needed to be changed.

How could your PE/sports kit be improved to encourage you to take part more?

Base: All respondents

Girls were asked which of the following options they would prefer to do on days they have PE. The most popular choice was *I would prefer to wear my PE kit all day on days I have PE*.

Which of the following would you prefer to do on days you have PE?

Base: All respondents in Year 7 & above

The chart below shows the top 10 things that would motivate girls to wear their PE kit at school outside of PE lessons on days they have PE. They were most likely to say *It's quicker and easier* (57%). However, 11% said that nothing would encourage them to wear their PE kit outside of PE lessons on days that they have PE.

What, if anything, would motivate you to wear your PE kit at school outside of PE lessons on days you have PE?

Base: All respondents in Year 7 & above

The most common reason that girls said they wouldn't want to wear PE kit at school outside of PE lessons on days they have PE was *I don't want to smell staying in my PE kit after PE* (28%). The top 10 reasons are shown below. 39% of girls said that they weren't put off by any of these barriers.

What, if anything, would stop you from wanting to wear your PE kit at school outside of PE lessons on days you have PE?

Base: All respondents in Year 7 & above

Pupil profile

The charts below show the profile of girls who responded to the questionnaire. Girls were most likely to describe their ethnic background as *White (British or English)* (55%). 29% said that they receive free school meals, and 13% said that they have a Special Educational Need or Disability (SEND).

Year group

Base: All respondents

Do your parents have to pay if you have school meals?

Base: All respondents

Faith or religion

Base: All respondents in Yr 7 & above

Disability or special educational needs

Base: All respondents

Ethnic background

Base: All respondents

Appendix 1

In the following tables **national data** is broken down by key factors, including 'physical activity level', in which 'more active' is defined as those who take part in physical activity on 5 or more days per week, and 'less active' is those who take part on one day per week or less. Responses from groups of less than 5 have been hidden, to protect the identity of respondents.

These tables use the following acronyms:

SEND: Special Educational Need or Disability

EDC: Ethnically Diverse Communities
