60 Second Challenge
Fast Feet

The Physical Challenge

How many times can you dribble a ball around a marker and back in 60 seconds?

Place down a starting marker and then a second marker 5 steps away. Each time you dribble the ball around the marker and back you score 1 point.

#StayHomeStayActive

Equipment

A ball and two markers

If you do not have a ball how many times can you run around the marker and back?

Achieve Gold

24 dribbles around the marker and back

Achieve Silver

18 dribbles around the marker and back

Achieve Bronze

12 dribbles around the marker and back
