Battleships: Level 2
Home Physical Education

How to play:

• With a partner, each player places three targets (battleships) in front of them. Place an additional battleship known as the ‘ultimate battleship’ in the middle.
• Players take turns to throw an object towards their opponent’s battleships.
• Each time a battleship is hit, it is removed. If players hit the ultimate battleship they can add back one of their battleships that has been hit.
• The winner is the first player to hit all of their partner’s battleships.
