Battleships: Level 2
PE Home Learning

**Time to Learn:**

- With a partner, each player places three targets (battleships) in front of them. Place an additional battleship known as the ‘ultimate battleship’ in the middle.
- Players take turns to throw an object towards their opponent’s battleships.
- Each time a battleship is hit, it is removed. If players hit the ultimate battleship they can add back one of their battleships that has been hit.
- The winner is the first player to hit all of their partner’s battleships.

**Play on your own!**
How many attempts does it take you to hit all three targets?

**Play for three minutes!**
The player with the most battleships at the end of the game is the winner.

**Have a competition!**
Create a league table and play against different family members.

**Top Tips**
Throwing Underarm
- Step forwards with one foot, releasing the ball from low to high using your opposite hand.

**Let’s Reflect**

How did you keep focused?

Can you play by the rules and respect your opponent?
