Race across the River
Home Physical Education

How to play:

- Agree a start point (one side of a big river) and a finish point (the opposite side of the river).
- Using two objects (cushions, pillows, or other flat objects) can you cross the river without touching the floor?
- You are only allowed two objects to cross the river with.
- It’s a race! The winner is the first person to cross the river without falling in and touching the floor. If you do touch the floor, you have to start again.

Top Tips
- Place the Pillows
  Place the pillows down on the floor. If you throw them you may over stretch and fall in.

Let’s Reflect
- Who was the winner? Why do you think they were able to win?
- How did you feel when you crossed successfully?

Can you play by the rules and if you touch the floor start again?
Can you keep trying even if someone is quicker than you?
