How to play:

- Choose a start point and place another marker at the opposite end of the space.
- Layout objects; teddy bears, cones across the playing area. These are known as the space monsters (defenders).
- Can you dribble using your hands, from the starting point, around the marker and back avoiding the space monsters?
- If you dribble around the marker and back you score 1 point. If you hit a space monster they score 1 point. The first to score 5 points is the winner.
