

Target Treasure: Level 2

PE Home Learning

Can you think tactically and decide which targets to aim for and why?

Time to Learn:

- Place a selection of targets five large steps away from your starting line.
- Decide how many points each piece of treasure is worth E.g. Toys = one point and shoes = two points.
- Players take turns to throw an object towards the treasure targets from behind the starting line.
- The winner is the player to score the most points when all of the treasure is gone.

Play on your own!

Can you manage to hit all of the targets and win the treasure?

Play for three minutes!

How many points can you score in this time?

Have a competition!

Play against different family members.

Top Tips

Throwing Underarm

- Step forwards with one foot, releasing the ball from low to high using your opposite hand.

Let's Reflect

What was the difference between your throws that were accurate and your throws that missed?

Why do you need to use the correct throwing technique?
