Right Way Wrong Way: The Race

Home Physical Education

How to play:

- Layout objects; teddy bears, cones or toys across the space. Make sure half are facing the right way up and half are facing upside down.
- Player 1 is going to try and turn all the objects up the right way and player 2 is going to try and turn all the objects upside down.
- Play for 60 seconds. At the end of the game the player who has the most objects facing 'their' way is the winner.

Top Tips

On your toes!

Moving on the balls of your feet, and bending your knees will help you move quicker to each object!
